Facial Menu

Signature Facial 100
With Custom Blended Mask Cocktail 110

Relax while rejuvenating your complexion. This facial offers a thorough analysis of your skin, cleansing, gentle exfoliation, toning and moisturizing, leaving your skin with a smoother, softer appearance.

Corrective Series

Hydrating Facial 120
This facial is ideal for dehydrated, aging or environmentally damaged skin. Cleansing, a moisturizing mask and UV protection will leave your skin feeling healthier, firmer and more hydrated.

Anti-Aging/Vit. C Firming Facial 120
This facial uses enzymes and peptides to create luminous, hydrated and firmer skin, leaving your skin healthier and more radiant. Perfect facial for everyday or occasions when you desire a glowing, instant lift.

Acne Facial 120
Pregnancy, adult or teen acne can be successfully treated with this effective facial that reduces breakouts and excess sebum (oil). This soothing treatment gently exfoliates, deep cleans pores, calms redness and hydrates to balance your skin

Rosacea Facial 120
Hormonal changes during pregnancy, stress and menopause can lead to the onset of or flare-up of rosacea. This gentle clinical facial is focused on correcting redness and preventing flare-ups.

We recommend multiple treatments of each corrective facials and specialty treatments for optimal results. Customized treatment packages can be designed for your particular skin type and skin care goals.

Specialty Treatments

Mask Of Pregnancy Facial 130
This illuminating facial helps to minimize melasma, or the "mask of pregnancy" that 70% of women experience during pregnancy. A unique blend of ingredients brightens and evens skin tone.

Oxygen Facial 140
This facial increases cell activity, reducing the aging process. Increases blood circulation that provides vital nutrition to healthy skin cells

The Total Eye Treatment 65
This eye treatment hydrates, lifts and tightens skin while diminishing dark circles and wrinkles. This treatment use unique blended ingredients that provides excellent stress and age management, suggesting a younger, more refreshed you.

Microdermabrasion 125
Micronized crystals gently and effectively exfoliate the outer most layer of the skin to produce smoother, softer skin. Multiple treatment suggested for best results

V.I.P. Skin Care Membership Program™
